Reviews

This composed book is excellent. This really is for all who statte that there had not been a worth reading through. Your life period will probably be change as soon as you total looking over this ebook.
(Cheyanne Barrows)

ATTEND THE LIGHT (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2018. Paperback. Condition: New. Language: English. Brand new Book. The summer of 1959: clashing ideologies and pivotal historical events define an America on the verge of social upheaval, and they all come together in the stories of ordinary people who find their intertwined lives affected in startling and dramatic ways by events around them. The country is in the midst of an international Cold War, while domestically longstanding racial tensions are broiling in concert with a burgeoning civil rights movement. At the center is Simon Flemsoe, a former Hollywood screenwriter who now lies dying in a South Carolina nursing home, mentally revisiting his past and longing to come to terms with his lifetime of dissatisfaction and outright failure, particularly regarding his relationship with his estranged family and his previous efforts to effect political change through the movies. Meanwhile, Simon's daughter, Martha, is coping with the mysterious disappearance of her runaway daughter, missing this past year, and his son, Manfred, struggles to help his sister while putting his own family at risk by becoming involved in a union organizing effort. In Washington, D.C., Simon's radical former screenwriter friend, Gene Farnsworth, attempts to build a movement for civil rights among the locals while befriending a boy named Malcolm Peters, recently arrived with his family from rural Alabama, where they were sharecroppers on a cotton farm before fleeing their racist landlord following an incident that still haunts young Malcolm. Behind it all lurks the sinister figure of Carmine Massachetti, a former Communist who has become an FBI informant and is now involved in an elaborate plot to expose a group of underground Communists by deciphering the messages contained within a collection of enigmatic movie reels and a series of Italian short-wave radio broadcasts that allude to a...
